MEMORANDUM FOR: NIOs and NFAC Office Directors

FROM : NSC Coordinator

25X1A

SUBJECT : Tentative Presidential Briefing Schedule

1. For planning purposes a copy of the tentative briefing schedule is attached. You will note that, for each briefing, a primary NFAC action officer (designated by D/NFAC) has been noted as has a briefing coordinator from this office (either [REDACTED] or [REDACTED]).

25X1A

2. An attempt has been made to coordinate briefing topics and rough timeframes with ongoing NFAC production efforts. The tentative nature of this schedule, however, relates to the fact that we cannot foresee those topics which will suddenly become topics worthy of briefing the President.

3. Many of the items on this list are already in various stages of preparation. In all cases, however, the responsible briefing coordinator will be in touch with the designated action officer and others as appropriate as the briefings are developed. The length of major briefings may vary while "filler" items are designed to be 2-3 minutes on subjects of current interest. This will all be worked out between the briefing coordinator and the action officer.

4. This schedule will be updated weekly. All recipients are encouraged to make the widest possible dissemination.

5. Our new offices are located in 7E23. Phone numbers remain the same: [REDACTED]
